

NEW SUPPORT GROUPS

Kid Group

Parent Group

First Tuesday Monthly, 7pm

Two separate support groups meeting at the PCC/USF-Polytechnic Campus focus on offering support for kids with emotional or mental disorders such as ADD, Anxiety, Depression, Bipolar Disorder, Conduct Disorder or similar disorders.

Meetings are held in building LTB rooms 1104 & 1105. Parents may attend without bringing their child, but children must be accompanied by a family member who is attending the parent group. Meetings will be facilitated by mental health professionals who will direct the discussion. Parents can expect to learn from each other. Youth can expect to make friends and have fun. Youth will be grouped by ages - school age 17 and under are invited to attend. For more info call
